

# Happy Father's Day

**My dad's a superhero, he is so big and strong.  
And he's always patient, even if I do something wrong.**

**He plays outside with me,  
So he's sometimes hot and smelly.  
But when we come inside,  
He lets me eat peanut butter jelly.**

**He makes funny voices,  
When he reads to me each night  
And when we're in the park,  
He keeps me within sight.**

**My dad's my superhero,  
He makes my life so good.  
I want to be just like him  
And do all the things I should.**
